

COLLECTING FOOD & GIFTS

Thank you for considering SuperGrans for your food/gift drive! Here's how to do it:

1

Decide on your dates. Tell your group the deadline for donations. For Christmas collections we suggest you start ASAP so that we have enough time to distribute the goods to whanau before Christmas Day.

2

Raise awareness about the collection. Print posters, send emails, use social media etc to promote the collection in your organization or in your community.

3

Set up your collection point. Tell everyone where to drop off their goods. Use empty boxes from the supermarket or we can provide plastic bins to collect the goods.

4

Pick up day. Either drop off your donations to our Pitt street premises or a SuperGrans rep can come and pick up your collection!
